In my little garden

In my little garden,
By he apple tree,
Daffodils are dancing:
One, two, three.

In my little garden,
By the kitchen door,
Daises red are dancing:
Two, three, four.

In my little garden,
By the winding drive,
Roses bright are climbing:
Three, four, five.

In my little garden,
Down in sunny Devon,
Violets are hiding:
Five, six, seven.

In my little garden,
By the cottage gate,
Pansies gay are shining:
Six, seven, eight.

Stages of the life cycle of a butterfly

Butterfly, butterfly you're so fine
Flying up and down all through the sky.
The life cycle just goes on and on
Now listen to my butterfly song.

The butterfly life cycle goes like this:

Four unique stages of metamorphosis:

Stage one is the egg on a leaf,

Just growing inside, chilling on a leaf

Stage two is a the caterpillar,

That's the larvae eating that leaf and growing
even larger, molting out of its skin.

Stage three is the chrysalis, that's the cocoon,
Changing inside, almost a butterfly soon.

Some call it the pupa- it's a funny name,
Check out what the caterpillar became.

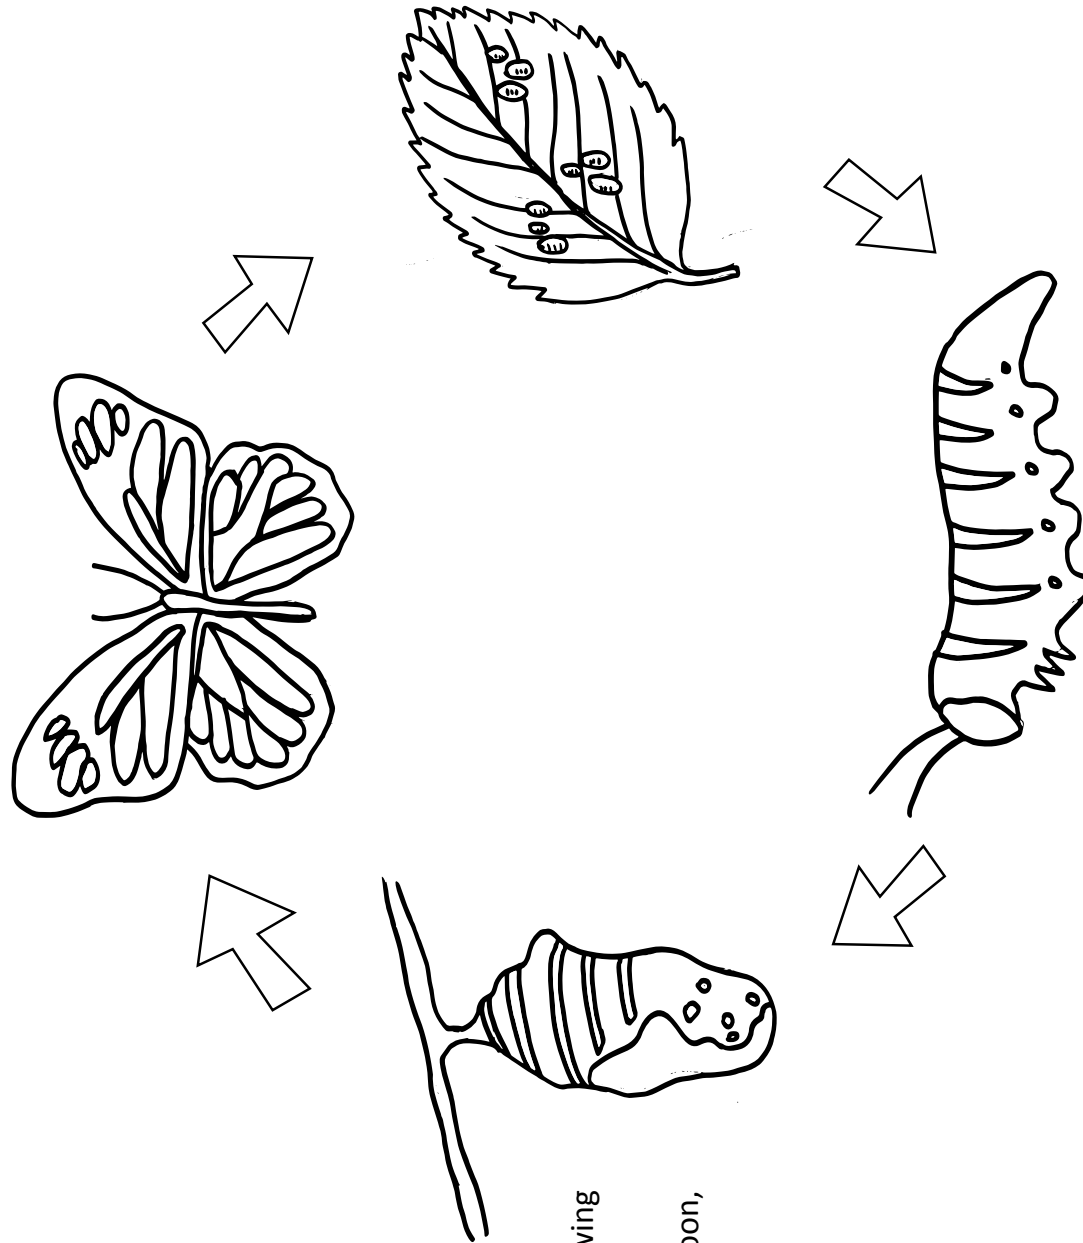

Stage four: here comes the butterfly!

Oh, so beautiful, oh, so bright!

Now they can fly with their scaly wings
And when they eat, it's a drinking thing!

Sipping out nectar, a sugar collector!

An adult butterfly is a pollen spreader!

Five little butterflies resting at the door.
One flew away and then there were four.

Butterfly, butterfly, happy all day
Butterfly, butterfly, fly, fly away

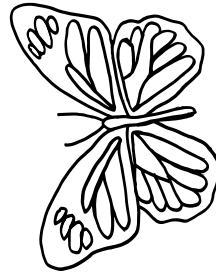

Four little butterflies sitting in a tree.
One flew away and then there were three.

Butterfly, butterfly happy all day.
Butterfly, butterfly fly, fly away.

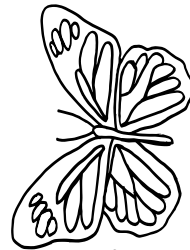

Three little butterflies looking at you.
One flew away and then there were two.

Butterfly, butterfly happy all day.
Butterfly, butterfly fly, fly away.

Two little butterflies sitting in the sun.
One flew away and then there was one.

Butterfly, butterfly happy all day.
Butterfly, butterfly fly, fly away.

One little butterfly left all alone.
He flew away and then there were none.

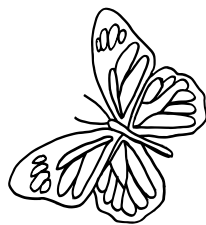

Butterfly, butterfly happy all day.

"Summer Holiday" by Cliff Richard

We're all going on a summer holiday
No more working for a week or two
Fun and laughter on our summer holiday
No more worries for me or you
For a week or two

We're going where the sun shines brightly
We're going where the sea is blue
We've seen it in the movies
Now let's see if it's true

Everybody has a summer holiday
Doing things they always wanted to
So we're going on a summer holiday
To make our dreams come true
For me and you....

We're going where the sea is blue
We've seen it in the movies
Now let's see if it's true

Everybody has a summer holiday
Doing things they always wanted to
So we're going on a summer holiday
To make our dreams come true
For me and you....

"Summer Holiday" by Cliff Richard

We're all going on a summer holiday
No more working for a week or two
Fun and laughter on our summer holiday
No more worries for me or you
For a week or two

We're going where the sun shines brightly
We're going where the sea is blue
We've seen it in the movies
Now let's see if it's true

Everybody has a summer holiday
Doing things they always wanted to
So we're going on a summer holiday
To make our dreams come true
For me and you....

Mostly As:

You are not sporty and you just want to relax on holiday. You love hot, sunny weather. You've got a passport and flying in a plane is not a problem. You like trying new foods and you want to sleep in a hotel.

The best holiday for you is...two weeks in a hotel with a swimming pool in Greece, Spain or Turkey!

Mostly Bs:

Not too hot, not too cold. You are active and you like to be outside! You are not afraid of trying new games and sports.

The best holiday for you is...two weeks camping in the countryside near a lake! You can eat all your favourite food, go swimming and sailing.

Mostly Cs:

You don't like hot weather, you prefer snow. Travelling by plane or boat is not a good idea. You don't like trying new food or insects.

The best holiday for you is...a winter holiday - two weeks in the mountains in Poland! You can go skiing and snowboarding. In the summer, stay at home, watch TV and play computer games.
