

The Magic Brush

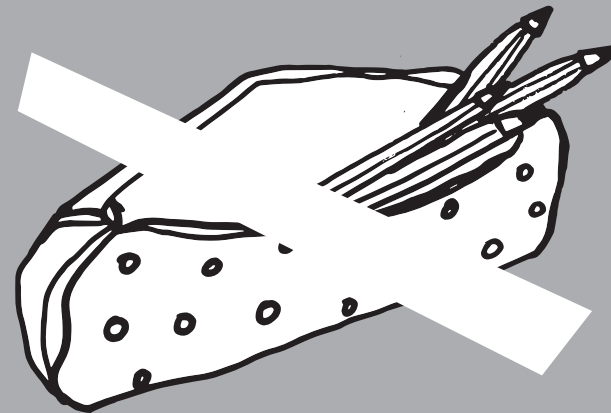

Why are you sad?
What's the matter?

I'm sad.
I've got a problem.

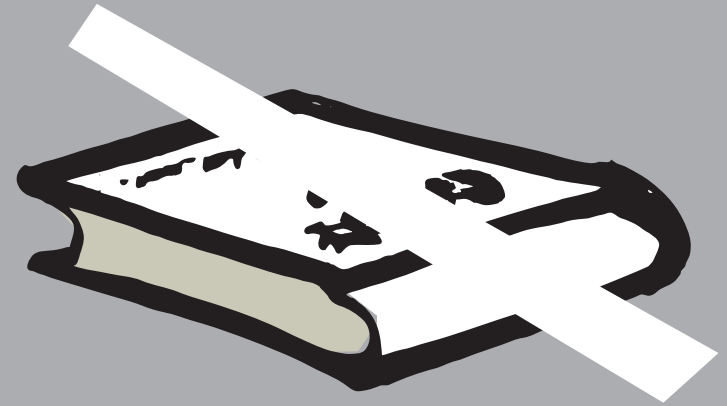

I haven't got my pencil case.

I haven't got my book.

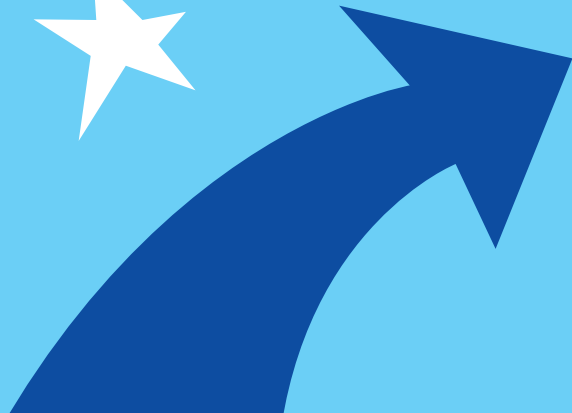

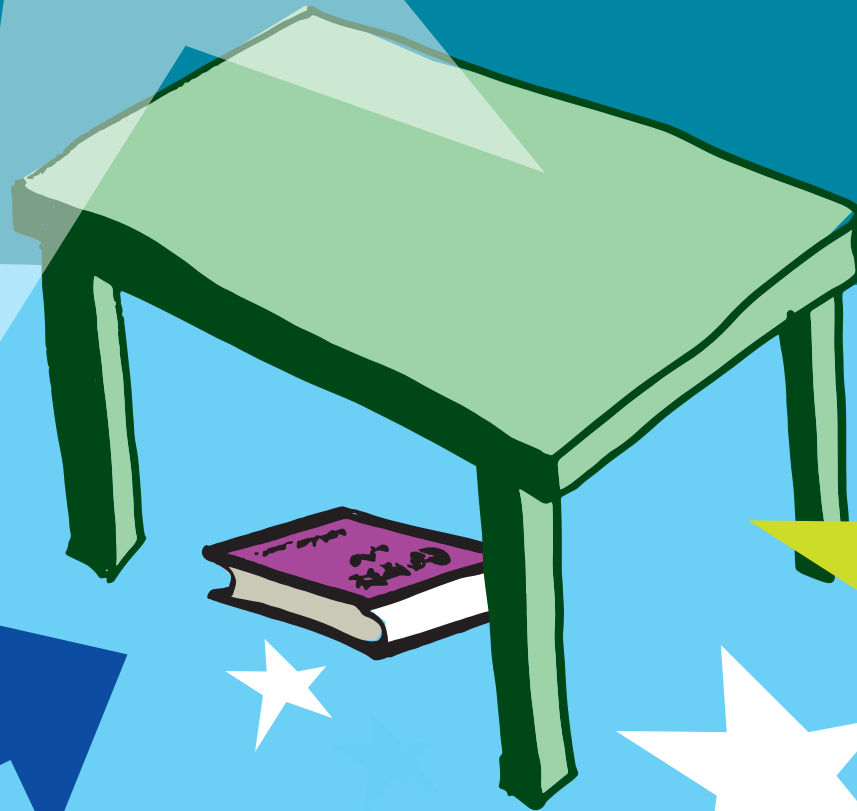

My dear, why are you sad?
What's the matter?

Where is it?

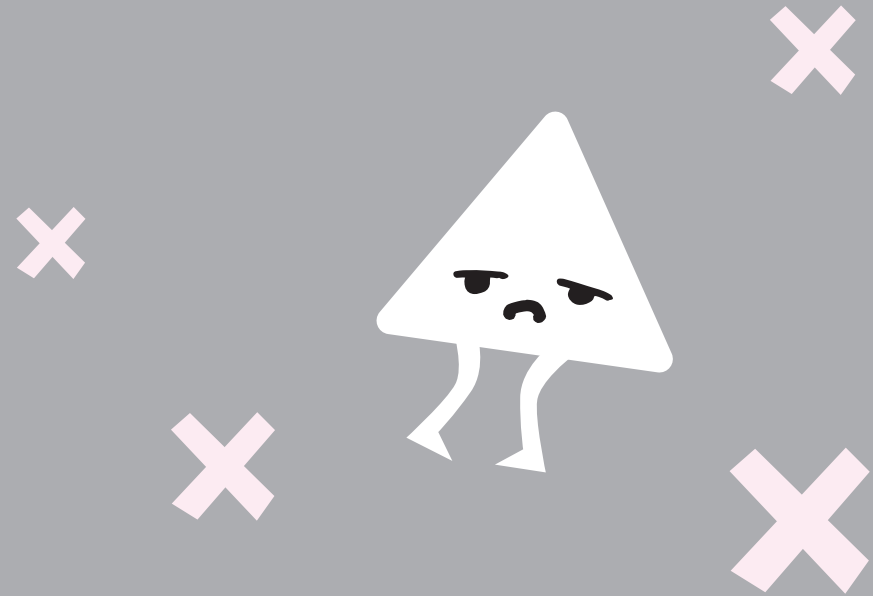

I'm sad because I haven't got any friends.

Why are you sad?
What's the matter?

Oh, dear...

Hoorah!
I've got lots
of friends!

Thank you,
Magic Brush
