Hi George! Have you got time to play with me?

Hi Billy! No, I'm sorry, I haven't got time.

Hi John! Have you got time to play with me?

Hi Billy! I haven't got time to play with you, I'm on holiday!

Oh no... Nobody has got time to play with me.

Hi Jenny! What have you got there?

I have got a book! It is a present from my grandfather! He is a teacher.

Wow! This is a very old book! Who were the Vikings?

I don't know! Let's open it.

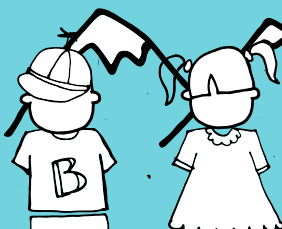

Where are we?

Look! Some people are over there!

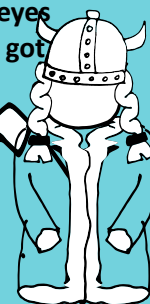

They've got helmets on their heads. The man has got a big nose, a black beard and a long fur coat.

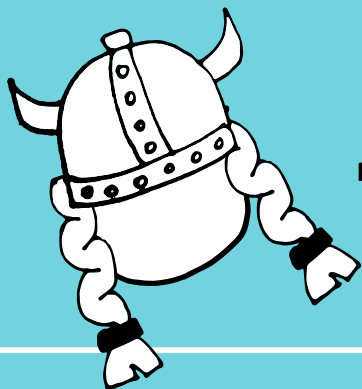

I see a girl next to him.

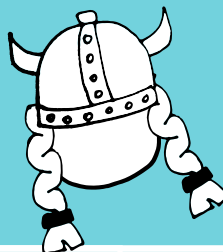

She's got red hair, blue eyes and a small nose. She's got a long fur coat too!

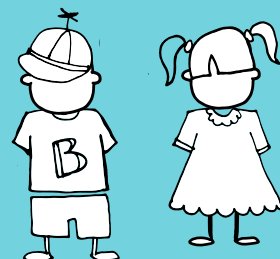

Hello children! Welcome to Scandinavia! It is the year 1013. My name is Leif Ericsson but English people call me Leif the Lucky.

And my name is Hervor! I'm a warrior!

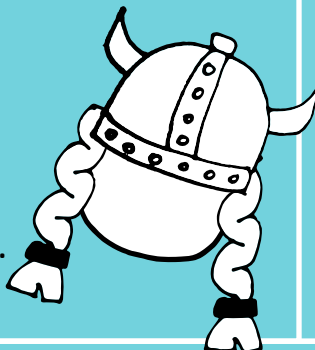

Nice to meet you!

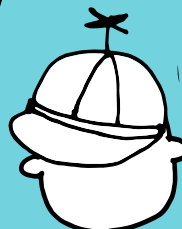

Are you Vikings?

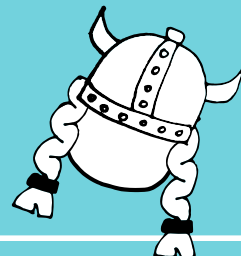

Yes! Vikings are great traders. Vikings come from three Scandinavian countries: Denmark, Norway and Sweden.

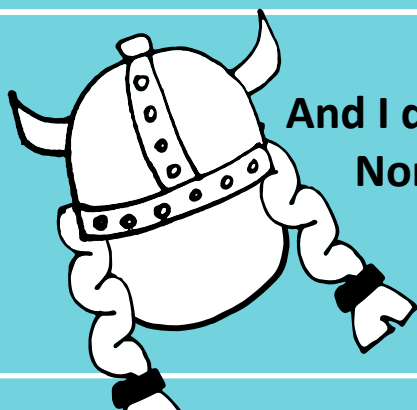

Where do you travel to?

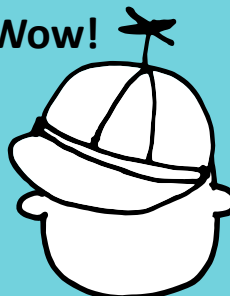

To Britain or Poland. Vikings live on the Wolin island.

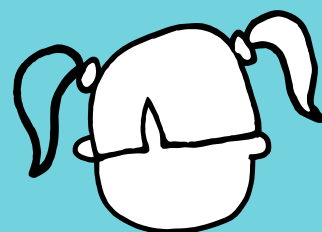

And I discovered North America!

Wow!

Amazing!

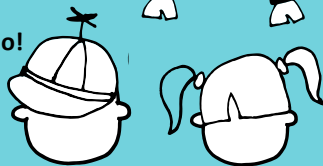

The Vikings are skilled sailors.

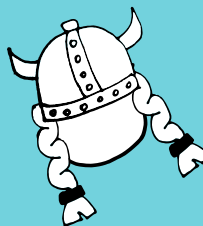

Say hello to our friends: Sven, Markus, Hasse...

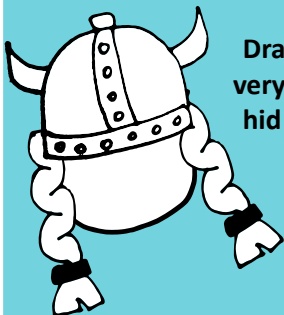

Hello!

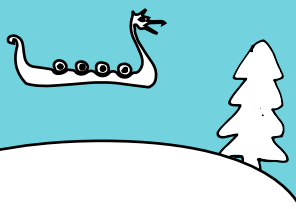

This is a dragon ship. It is very fast.

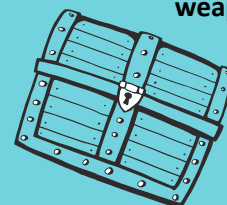

Dragon ships are very light. Vikings hid them on the land.

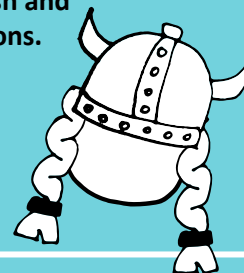

Hurry up! Let's hide the ship!

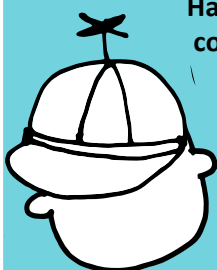

And what have you got in the chests?

In the chests we've got water, dried meat, fish and weapons.

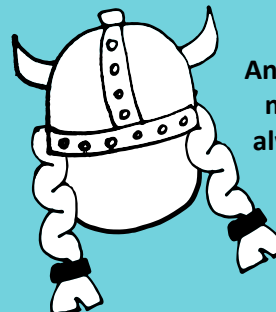

Have you got compasses?

No, we haven't! I've got a raven. It always flies towards the land.

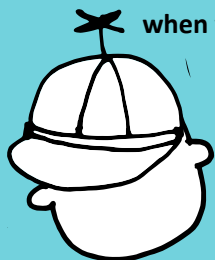

And I've got flees in my pocket. They always hop North.
